Description of Fees and Charges

Building Levy: This is a fee charged per family to contribute to the debt servicing of the schools existing capital building loans and future capital requirements.

Cleaning Levy: A fee charged per family to contribute to the cleaning costs of the school to ensure our children learn in a safe and clean environment.

Associate Membership: Per non-Christian family, school association membership, with no voting rights at the Annual General Meeting

Full Membership: Per Christian family, school association membership with voting rights at the Annual General Meeting

Text Hire: Per child, this fee is to cover the costs of books used in classrooms and the library, including readers.

Excursion/Incursion fee: Per child, the fee covers excursions and incursion costs within our community, except for swimming lessons. This is calculated at one excursion/incursion per term per child and there may be additional charges which will be collected prior to the event if the cost exceeds the fees charged.

Volunteer Levy: This fee is charged per family based on the time you volunteer. To avoid paying this fee we ask you to volunteer at least once per term, with tasks including in-class reading, busy bees or other odd jobs. This levy helps the school move ahead with projects and also encourages and supports our children's education. We understand families have their outside commitments.

Acceptance of enrolment FEE: \$50.00, this is a one off fee to contribute to administration costs of the enrolment and is charged on the acceptance of enrolment.
