

**CARNARVON
CHRISTIAN SCHOOL**
“Walk as Children of Light”

10th October 2023

Dear Association Members and Parents,

The Board is delighted to announce the appointment of Stella Jinman as the next Principal of Carnarvon Christian School. She will commence this role in January 2024.

After a wide-ranging and transparent process, assisted by Christian Education National, the school organisation to which CCS belongs, we believe that God has enabled this appointment. We have been humbled and strengthened in our faith, as God has been evident in the meetings and conversations that have enabled this appointment to be made.

First and foremost, Stella introduces herself as a follower of Jesus. She says, “I am a born again Christian and Jesus Christ is my Lord and Saviour... I welcome the opportunity where my Christian faith informs my professional practice to devote both my passion and skills to a new season of growth and success in changing children’s lives for the better.”

With her husband, Stella currently attends Calvary Chapel in Perth. Together, they had already decided to relocate to Carnarvon, prior to being aware of our need for a Principal from 2024. God is good!

Stella comes to us as a very experienced Principal and educator. For the last 11 years she has been Principal of Cecil Andrews College, a large state school in Perth. She has a Master of Education degree and many awards for outstanding educational leadership, especially in the area of STEM learning for children.

Of course, we will want to take the opportunity over the next few months to appropriately recognise and thank James and Judy Shaw for their outstanding leadership and commitment to CCS over these last 25 years. That is a record that will be hard to match anywhere in Australia, but for now we celebrate God’s goodness and faithfulness in providing another outstanding Christian leader and educator to take our school in the next season of providing quality Christian education in partnership with parents, to all our students.

We look forward to introducing Stella Jinman to you during the second half of the year, and indeed, welcoming her warmly as our Principal at the beginning of 2024!
With warm regards,

Maureen Cosh
Board Chair
