CARNARVON  
CHRISTIAN SCHOOL

“Walk as Children of Light”

## PRINCIPAL'S QUOTE

*“Rejoice in hope,  
be patient in tribulation,  
be constant in prayer.”*

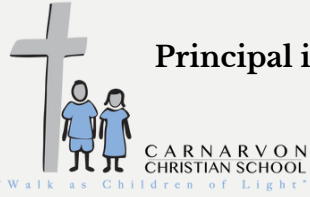

**—Romans 12:12**

### Prayer:

We pray for our families, friends, neighbours, and co-workers. Bless their lives, give them strength, and let them experience Your love and kindness. Teach us to show compassion and love toward one another, reflecting Your image, for we are created in Your likeness. May we learn to love as You do—with a love that is patient, selfless, and enduring.

Amen

Principal input:

**It's going to be an industrious last term of school, with our upcoming Graduation and Awards night, the Art Show as well as the Year 6 Camp.**

**Please note that our last day of school is December 6th.**

**We are very excited for the Art Show showcasing the works of our young artists. The preparations are well underway and parents are invited to visit our open classrooms before the Art Show commences.**

**A big thank you to all of our volunteers for keeping the sausage sizzle fund raisers going on Thursdays – we couldn't do it without you. The school is still seeking a canteen manager.**

**I have outlined our complaints policy to remind all parents to be aware of how to register your complaints with us. We appreciate your feedback and thank you for raising your concerns with me. I have an open door policy and encourage regular communication with your classroom teachers to work in partnership in facilitating your child's learning journey.**

**On November 14 as well as on our last school day December 6th, we have a free dress day for a gold coin donation – all funds go towards beautifying the school grounds. Dress up is to remain modest and to not distract from learning.**

### **Do you have a complaint, problem or suggestion?**

If so, we would like to hear. Our school community is aiming to honour God by showing love and respect to one another in all situations and all their relationships. **Please know that the first point of contact for any concerns, complaints or suggestions is your child's classroom teacher.** Our full complaints & disputes resolution policy & procedures can be viewed using [this link](#) or found on our website.

**The school motto is:**

**Ephesians 5:8b "Walk as children of light"**

**We base values on Galatians: "My brothers and sisters, you were chosen to be free. But don't use your freedom as an excuse to live under the power of sin. Instead, serve one another in love. The whole law is fulfilled by obeying this one command. "Love your neighbor as you love yourself." (Leviticus 19:18)"**

**Galatians 5:13-14 NIRV**

Week 6: Last week of borrowing  
Week 7: All books must be returned

 You're invited to our  
**SCHOLASTIC Book Fair**

**HAPPENING WEEK 7**

## Welcome to term 4

It has been a pleasure joining the Carnarvon Community School. I have had a wonderful two weeks getting to know the students, parents and staff and would like to thank you all for your kind words and support. I am looking forward to a fun, hands on learning journey this term.

Firstly, I would like to tell you a little bit about my self. I was born in England and have five siblings, three of whom have also settled in Australia with their families. I have lived in Carnarvon for ten years and love the community spirit of this beautiful town.

This term we will be learning about safety: Staying healthy, road safety, snake safety, Stranger danger, dog safety, fire safety, and pool safety, all in preparation in keeping our precious children safe during the summer holidays.

Kind regards  
Miss. Wallace

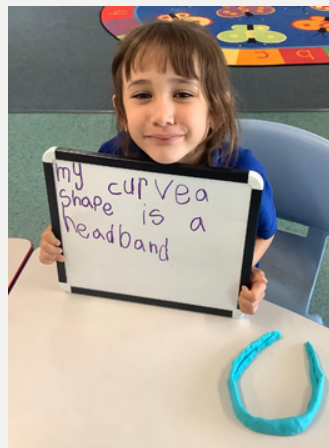

**Our Ocean Our Responsibility**

Students in Pre-primary have been learning about pollution and ocean conservation through integrated inquiry learning. This learning is linked to the art show theme- Lorax of the Sea. Children in Pre-primary are excited to have their artworks going on display. We hope to see you there!

**Fundamental Movement Skills**

Each day in Pre-primary we take time for fitness and movement. Our focus for term 4 is jumping, kicking and balance. The students enjoy moving their bodies through skill drills and games.

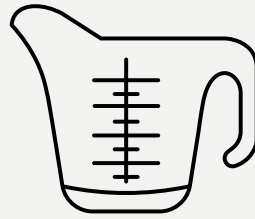

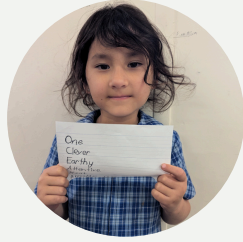

**Nifty Numeracy**

The children in Pre-primary are enthusiastic about numeracy. To begin term 4 learning has been focused on 3 dimensional shapes and fractions. Students have developed an understanding of shape properties such as curved and flat as well as objects that stack or roll. The children are developing foundation fraction knowledge by identifying the difference between whole and part.

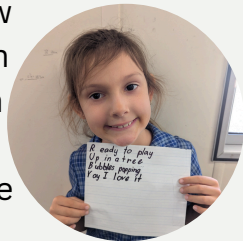

# English

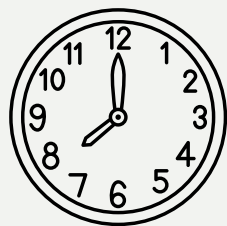

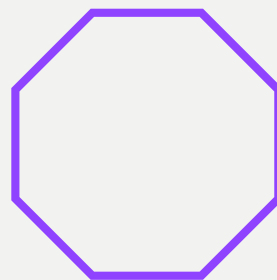

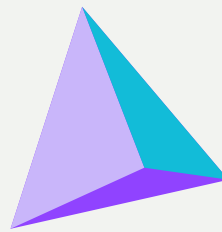

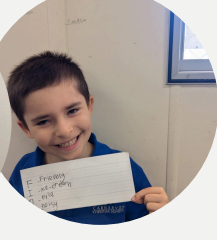

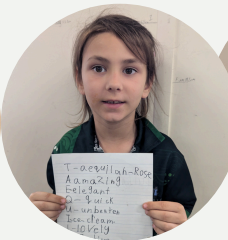

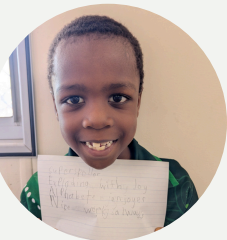

# Maths

This Term in Maths we will be exploring Measurement and Geometry including: volume/capacity, Mass, Shape, position and Time.

This Term Year 1 will be exploring a range of poetic forms. So far we have completed some animal alliteration poems and a few acrostic poems including an all about me acrostic poem as seen in the pictures surrounding. We will then be moving onto Hiaku, Limericks and Riddles.

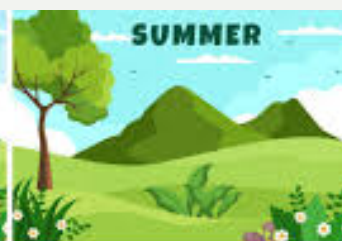

# HASS

# Science

This Term in Science Year 1 will be looking to the sky to explore the weather and seasons.

This Term Year 1 will be exploring a Geography in HASS with a focus on Man made and natural Features such as the big banana and Mt Augustus

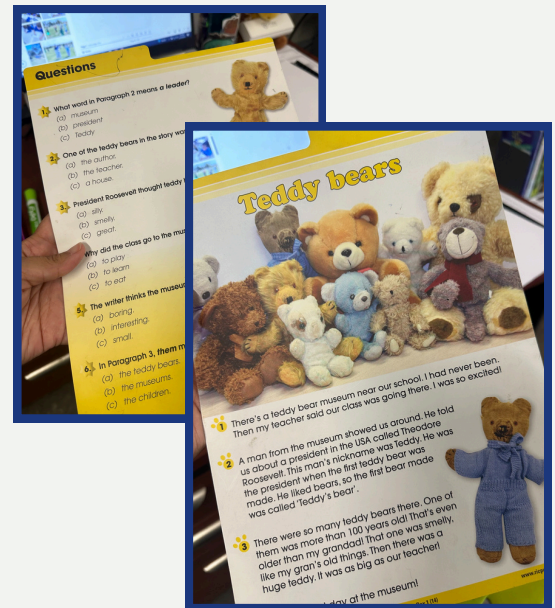

## Honing our Skills in Numeracy

We incorporate our lessons in Numeracy with our daily activities in school from line formation skip counting to our mat activities calendar activity. We also have our daily skills test wherein we focus on one operation to work on. Our 5-minute mental math is for the review of the previous lessons, so they won't forget it. Repetition and practicing daily math are two of the most important components in learning mathematical concepts.

## Targeting our Skills in Literacy

These last two terms, we are using The Reading Comprehension Box as one of our activities in Literacy that involves reading, listening and answering questions based from the text read. These set of texts feature both fiction and nonfiction texts incorporating Society and Environment, Science, and Health and Values topics, which enables them to be exposed from a wide range of genre and school subjects. This activity also makes the children develop more their concentration and focus in class. Moreover, they are excited to answer the questions and check their answers afterwards.

## Auslan

The children are doing really well with their Auslan especially in signing "Our Father." Since we also incorporate Auslan in our daily lessons, they find it more meaningful and useful. Consistently practicing it makes it easier for us to adapt / learn this form of communication.

As we begin another vibrant term, we are excited to reflect on the incredible activities and achievements that have taken place last term for Years 4-6. From competitive sports and artistic showcases to engaging workshops, our students have truly thrived in their learning environments. It's been a term filled with growth, teamwork, and celebration! Here's a look at some of the highlights.

### “Netball Competition”

Success last term, our girls' netball team participated in a thrilling competition and came away with a well-deserved win! Their teamwork, skill, and determination were commendable. Congratulations to all the players for their fantastic achievement!

### “Athletics Day”

During Athletics Day, students showcased their talents in various events like sprints, relays, and long jumps. The camaraderie and encouragement among students were truly inspiring. Well done to all participants!

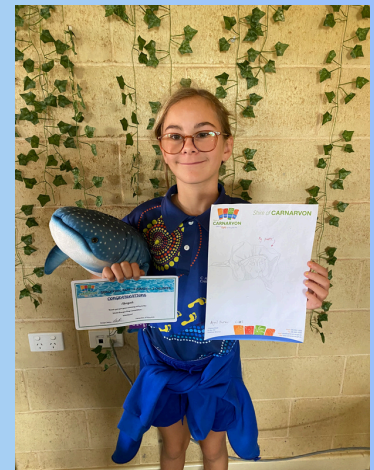

### “Junkadelic Performance and Workshop”

Our students participated in an engaging Junkadelic performance and workshop, where they created musical instruments from recycled materials. Their creativity and teamwork resulted in an energetic and memorable display!

### “Celebrating Achievement: Abigail Manser”

Congratulations to Abigail Manser for winning the Rangers Art Competition! Her artistic talent has truly shone through, inspiring her peers to pursue their passions.

## Art Show

Week 5

**Tuesday 5th Nov**

Classrooms open 5.30pm

Art Show commences 6pm - 7pm

### Artist Works Wanted

Do you love painting, have sculptures that you have created or a love of photography? We'd love you to display your works in our Art Show.

Display cost is only \$5 and you are welcome to auction off or display works to be sold. For more information please see letter sent out.

Items are to be set up on Friday 1st Nov.

Please contact the office or Mrs Wood at [dominique.wood@ccs.wa.edu.au](mailto:dominique.wood@ccs.wa.edu.au) for more information

### People's Choice Award

Each classroom have been busy putting together their own Lorax of the Sea themed items ready for the Art Show.

Each class will be competing against each other to win the 'People's Choice Award' on the night.

Upon entry, each person will be given a blue token, and they will drop this into a container in relation to whose class item they think is the best.

### Volunteers Wanted

We will be running a **sausage sizzle** at the Art Show and need some extra hands.

If you could help it would be greatly appreciated.

Anyone that loves to cook and would like to make a plate of **canape style food** for our night. Our senior students will be moving around the room serving the adults delicious nibbles. We would love a variety of food if you'd like to contribute.

Helpers to assist with the silent auction and People's Choice Award.

Please let the office or Mrs Wood know if you can help.

### Student Artworks for sale

Each student artwork displayed will be available for purchase on the night for a gold coin donation.

### School Student collaboration

This year we are collaborating a photo collage with beach / ocean / fishing photo's of every child in the school. If you would like your child to be included in this exciting new initiative please email a photo through to Mrs Wood so it can be included and shown on the night.

## Awards Night

Week 9

**Friday 6th Dec**

Classrooms open 5.30pm

Art Show commences 6pm - 7pm

This year, from pre-kindy to year 6, students have been working hard on an item to show at our final awards night.

**Pre-kindy and kindy students** are welcome to attend but it is optional. If you would like your child to be part of the night, can you please let Mrs Wallis know.

If you will be **absent from this event**, can you please also let your teacher or Mrs Wood know so that she can ensure all performances run smoothly.

Protect yourself in **five ways** from skin cancer

**SLIP**

**SLOP**

**SLAP**

**SEEK**

**SLIDE**

Being SunSmart is a simple and effective way of reducing your risk of developing skin cancer. Protect yourself in five ways:

- Slip on sun protective clothing
- Slop on SPF50 or SPF50+ sunscreen
- Slap on a broad brimmed hat
- Seek shade
- Slide on sunglasses.
